## Petition on way for park

Eight members and Ranger Ben Hammond rocked up last month to clear rocks from the lawn area in front of the info centre. Large stones were were raked off the lawn area which were left there after the recent sewerage upgrade.

Wire guards were also checked over and plastic guards on mature trees that were no longer needed or become too tight, were removed.

Much discussion was held over a cuppa after the work ceased. Ben reported on new plans for interpretive signage for tracks and picnic area. There was further discussion of the planned petition to be circulated regarding return of park to national park status. Apparently all this happened on World Bee Day!"

**June Activity Day**

Meet at the amenities block, 1pm, Sunday, June 17.
